**LITTLE** Leah Gordon had fun on the farm after winning a competition to name a filly foal.

Leah won Blackstone Clydesdale's NAME ME competition after her choice of Milly impressed the judges.

The youngster couldn't wait to meet her newly named pal when she visited the Cumnock Farm with her dad.

The six-year-old fed the alpacas, brushed the cow, had a shot on every horse - including Milly's mum, Maytime who she led to the stable by herself.

And Leah was excited to learn she was the same age as Maytime!

Fellow pupils at Greenmill Primary got to share in the fun with a DVD recording of her day.
