Unforeseen Incidents

Unforeseen Incidents can take place during the experience which we have no control over as horses can react unpredictably. This in turn may mean an experience may run late. Do not under any circumstances complete the following:

- Deposit your child and leave, you are abandoning your child without due care. Stay with your child until the guide(s) meets you at the reception. Once the Health & Safety paperwork is checked for the experience and only then you can leave or you are also welcome to wait on the farm for their experience to be completed.
- Enter the premises and take a horse out of its stall. This is strictly prohibited unless you are accompanied by a member of RS Duncan staff
- Wander around **Blackstone Farm** premises without an escort

You are in breach of our Health and Safety protocols if you proceed with any of the above points.

Once your booking is confirmed by **RS Duncan**, it is advisable that you ensure you know how to get to us on the day of your experience. If you are late or get lost, we cannot accept responsibility. Clear directions are given or are available on our website, with a supplied postcode for SATNAV users or google map link

- If the experience runs over, please stay around for your child/ward until the experience has finished. Do not, under any circumstance, abandon your child / ward.
- Force Majeure. "Force majeure" means any event, which we the supplier of the service(s) in question could not, even with all due care, foresee or avoid. Such events may include war or threat of war, riot, civil strife, terrorist activity or actual threatened terrorist activity, industrial dispute, natural or nuclear disaster, adverse weather conditions, fire and all similar events outside our control. When a major road/motorway is closed or traffic delays for any reason, we cannot accept blame for the customer being late
- All our Staff are here to help you. We will most certainly not tolerate aggressive or abusive behaviour. Abusive and aggressive customers or members of the public who behave in this manner will be asked to immediately leave the premises, forfeiting any right to be involved in our experiences.
